**Bequests**

Your annual membership fee and donations go to the cost of publishing our Newsletter, maintaining our website, posting out the information to people (whether they are members or not), verbal advice over the phone or face to face in the office and giving any assistance we can. We also hold seminars and pay the expenses of medical professionals to give talks at interstate seminars. In addition to this we also give financial support to research. We would like you to think about a bequest to the Association. This would ensure that our work can continue well into the future serving members and fellow sufferers of CMT. **OUR AIM IS TO ENHANCE THE QUALITY OF LIFE FOR PEOPLE WITH CMT.**
